### **NOTE:**

*\*Be aware of the difference between a photo being used as a simple single social media post or a photo that might be used for advertising, etc. I would recommend a more extensive release if using a photo more often than the one social media post. These samples above **are not legally binding**. They're a hodgepodge of different wordings that I have loosely compiled here. Be wise, always get permission from parents, respect all those involved and use legal council when necessary.*
